Claiming CME Credit

The Pennsylvania Medical Society has awarded CME credit to this activity. To obtain a CME certificate, please use the link provided below to view and complete the online post course survey which is available through our learning management system. You will need to create a web account for the PAMED website if you don't already have one. Membership in PAMED is not required for a Web account. The information required to create a Web account includes first and last names, date of birth, and an email address (cannot be a shared email address—each learner profile must have a distinct email address of record). Entering your license number is optional but is helpful in establishing your learner profile. Once you have created your account/logged in, you will be redirected to the course and able to view and complete the survey. A CME certificate will be available to download, print, or email after you have completed the survey.

COMPLETE CME EVALUATION

Please note that you cannot use Internet Explorer to access our learning management system as it is not supported by the platform. You must use Chrome or another browser.

If you have any questions about the process to claim CME, please feel free to contact the CME office at CMEAdmin@pamedsoc.org. If you need assistance creating a website account, please contact our Knowledge Center at 855-PAMED4U (855-726-3348) or KnowledgeCenter@pamedsoc.org.
